Please note that the employees that were disclosed on Schedule H4 supporting Line 21(a) as payroll spent less than 25% of their time during the period working on Federal Election Activity or activities in connection with a Federal Election therefore salary payments were allocable. This also includes fringe benefits for those specific employees. - - Determination of usual and normal charges for Enhanced Online Voter File Access for payments received on Schedule A, Line 17 of the Committees report was calculated by the total cost of developing and hosting our online voter file and dividing it by the number of records within the file as well as the presumed number of overall users. The cost to the organization is then determined by the number of records requested and the length of time access will be granted. i.e. Statewide or congressional charges are based on the number of records in the district or entire state as requested. - - Memo Schedule A's that itemize the committees share of the gross contributions received through the joint fundraising activities from the ASDC Partnership Program (Association of State Democratic Chairs), and the Democratic National Committee Victory Fund are provided on a quarterly basis. The transfer of the joint fundraising proceeds received during this reporting period from the ASDC Partnership program and the Democratic National Committee Victory Fund represents the committee's share of proceeds for contributions received during this or prior reporting periods. The memo entries for these contributions are included in this or a prior report of the Committee.
